

Links? Links.

By [Steve Thorngate](#)

May 4, 2012

Here are some things I read recently but didn't get around to blogging about:

- Lectionary+social media=[homiletics in community](#)
- [Pastors call a truce on 'sheep-stealing'](#)
- They aren't "[sex allegations](#)," *New York Times*; sex isn't illegal. DSK has been accused of sexual *assault*.
- Mark Silk launches [GetGetReligion](#)
- I've had [this same thought](#): It's hilarious that Yahoo uses its Facebook social reading app to...drive search traffic, mostly to Google.
- A good argument against statistic tails wagging baseball dogs. Also a [great headline](#).
- [How to ask a question](#)
- [Reinhold Bieber](#)

Links are also posted throughout the day in the right-hand sidebar of my [main blog page](#) and in [this feed](#).
