

Mihee Kim-Kort: *Making Paper Cranes*

By [Carol Howard Merritt](#)

February 28, 2013

How has the "myth of the model minority" affected the lives and work of Asian-American women? How is the myth used in our society? Should white male theologians have to claim their context in the same way women and racial/ethnic minorities have? Do the ways in which theology is marketed contribute to an intellectual segregation? Please join us as Mihee Kim-Kort talks about these questions and about her book, [Making Paper Cranes: Toward an Asian-American Feminist Theology](#).
