"["What are we on my side of the aisle doing?"](#) demanded McCain."

"[Stashing some artefacts about](#) can help you to have a little compassion on, and a little curiosity about, those past selves whose chief duty was to become you."

"[Now we have California's \[Obamacare premium\] rates](#), and they appear to be significantly less expensive than what forecasters expected."

"[The best part of Barbara's interview](#) is, of course, the appearance of her missing dog. He is alive. What is important to note is this: the dog doesn't come out because of the reporter's voice."

" [\\_](#) "

"[I'd like to tell a story](#) about the last half-century, based on studies done with this search engine [of a database of books]. The first element in this story is rising individualism."

"[If you're poor](#) in the Seattle, Atlanta or Chicago regions, you're more likely than not living outside the city limits."
