

after a baby's death

by [Yehiel E. Poupko](#) in the [April 26, 2017](#) issue

before i was  
and after i am not,  
light lustrous  
only light  
and the One,  
from beginning to beginning  
i am,  
as she died  
the light gutters,  
and after i am not.
