

# Getting ready to go

by [Marilyn McEntyre](#) in the [February 8, 2011](#) issue

she said her mother was waiting  
could I take her there she was  
waiting and would worry she asked  
how my mother was and I said  
you are my mother she looked  
amused then she leaned over  
and took my arm she said  
does mother know where we are  
I said yes mom she knows  
she's waiting will you  
tell her I'll be there she said  
as soon as I can get to the bus  
I'll tell her I said she patted  
my arm and hummed give your  
mother my love she said
