*Subscribe to the Century editors' link blogging by [feed](#).*

[Smart words](#) from Bishop Tom.

[A patriot's guide to still hating Obama for killing Osama.](#)

A fairly bizarre [slideshow joke](#) from Slate.

[More evidence](#) that opposition to health-care reform is pure partisan politics.

Why [Medicaid is going to take a hit](#), and why that's a bad thing.

[Now](#) Rep. Cantor admits that insurance companies already ration health care.

Not everyday you get Wendell Berry and Prince Charles in the [same conversation](#).

On the [non-difference](#) between micro- and macro-evolution.

A [pretty sad decision](#) from SCOTUS this week.

[Another reason](#) not to shop at Ikea.

School reform in action: first graders [asked to write about Matisse](#) in art class.
