New today from the *Century*:

- Adam Copeland [challenges](#) the satirical "Down With Evil Corporations!" photo that's been circulating: "Yes, the captions make a point, but it's not one I find compelling. In fact, it illustrates just how important the protests are, and how challenging it is to live in corporate America."
- Steve Vineberg [briefly reviews](#) *Sarah's Key*, which isn't "an especially good movie, but it's touching and very well acted."
- Pamela Fickenscher on the [coaching buzz](#): "Yes, please, let's have coaches. But let's not pretend that this is a low-cost, low-relationship, low-risk affair."
