

Two songs for three days

By [Steve Thorngate](#)

March 28, 2013

My [Songs for the Church Year](#) project is a season-by-season thing, without additional music for Holy Week. This week I did, however, also post this older song of mine about the New Commandment:

Fear Away by Steve

Thorngate. No statement intended by the lack of a Good Friday song; the one for Thursday is just an extra I found e-lying around.

Here's my new one for Easter:

Thorngate. Have a blessed and holy Triduum. (For more of my liturgical music, visit my [Facebook page](#).)
