"Although we don't test our graduating seniors on whether a carrot is healthier than a Cheeto, many of us would still like to be sure they [finish school knowing the answer](#)."

"Franz-Peter Tebartz-van Elst, a German bishop in Limburg, a small city in western Germany near Frankfurt, has been expelled from his diocese by Pope Francis, in [one of the first major tests of the pope's stated aim of building 'a poor church for the poor](#).'"

"Can you believe [the salary these BART guys get to drive a train?](#)"—someone whose job is making internet ads more clickable."

"[Malala does not need to be adopted](#). Nor is she available for adoption."

"Kids sleep peacefully while consultations and long waits go on around them. Some lean back and watch with a numbed, listless patience that suggests [how much of their childhood has already been spent like this](#)."

"[The prayer of Jabez that night in the prison](#) was not 'expand my territory. The prayer of Jabez was something different... I pray, Dear God, that I might not cause any more pain."

"Robbins demanded that Mostel stop. The actor relented. And then, when he walked through Tevye's doorway once more, [he crossed himself](#)."

"Legal barriers aren't the only factor that have stopped academic employees from organizing in the private sector. [Both New York University and Yale University retained union-busting law firms](#) in an effort to head off graduate employee unions."

"And so our phone conversation ended, with wishes of good health and a mutual embrace. [A world in which one can fraternally embrace a Pope](#) is truly a beautiful world."

"There is an entire graveyard of once-hopeful new software ecosystems, and [its name is Microsoft Word](#)."

"Stitch up sides to decreasing to 27sts (opening for flipper). Add elastic to the top and bottom to [prevent the penguins getting out of them](#)."

"When FDR said the only thing we have to fear is fear itself, [he was obviously bullshitting](#)."

"[100% of GOP congressional activity](#) is basically passing around this note: I hate Obamacare, do you hate Obamacare? Yes No Maybe"

"What kind of computer program forces you to [marry your own children](#)?"
