

when My Son rolled

by [Carl Winderl](#) in the [April 21, 2019](#) issue

away the stone

sealed with  
wax and guarded  
by a pair  
of rome's finest,

rolled it away far

far far away  
from His  
tomb's mouth

it rolled and  
rolled and rolled  
away over and  
over until it

covered over for  
-ever and ever
