Welcome to Madang.

Madang is the outdoor living room of the world. Here, we invite you to sit and tune into unreserved, remarkable conversations with renowned authors, leaders, public figures, and scholars on religion, culture, and everything in between.

Here in the 20th episode of Madang, I converse with activist and scholar Liz Theoharis about her new book, *We Cry Justice*.

We discuss how she began to co-chair the Poor People's Campaign, poverty, social justice, *basileia*, and jubilee. It is an informative discussion on how to read the Bible and get involved in social justice work. This book is challenging and provocative as it provides new ways of reading of the Bible from the perspectives of poor and marginalized people.
